13th October 2022

Dear Ski Trip Parents and Carers

Ski Trip to Saalbach, February 2023 **Parent/Carer Information Meeting #1**

I will be holding an information meeting for parents and carers regarding our Ski Trip in February 2023.

This meeting will be held at **6pm on Thursday 10th November in the LRC.**

Believe it or not this is roughly 12 weeks before we go and I would like to give everyone plenty of time to ensure they have all the information and equipment they need ready for when we go.

The meeting will be to give everyone general information about the trip, make sure that we have all the required information about the students, and give out useful information and advice about ski equipment.

A representative from a local ski shop will also be present on the night to run through ski clothing.

Please could you carefully complete the short form on the link below as soon as possible and **by Thursday 10th November** at the very latest:

<https://forms.office.com/r/S5kmS8kT3F>

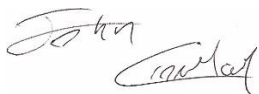

Please note that it is essential that the name and date of birth of the child **are exactly as they appear on the child's passport**; when this has been wrong on previous trips it has caused us difficulties at customs checks.

The form ensures that we have up to date student information and the Austrian ski school and ski rental services know what level of tuition and equipment would best suit your child's needs on the slopes.

Please don't worry if you are unable to attend the information meeting as I will circulate all the information given, including a full kit list and travel plans, via ParentMail, and I am always happy to answer any queries you may have.

In order to manage numbers in the LRC it would be most helpful if the student coming on the trip could attend with **only one accompanying adult** please.

Kind regards

Mr Crossland
Head of Science
Ski Trip 2023 Leader
