## The Sixth Form

Dear 6<sup>th</sup> Form Students, Parents and Carers

Please be aware of the following opportunities that are open to interested students.

Students should remember to check the school noticeboards regularly for information about other opportunities that will be advertised as they arise.

Thank you.

### **Psychiatry Summer School for Year 12 - see attached poster**

**Dorset HealthCare University NHS Foundation** Trust are pleased that we can relaunch our Psychiatry Summer school again this year! The Psychiatry school is a 4-day experience for those that are taking a serious interest in the medical field after school and college where they will find out about Psychiatry, common mental health problems as well as getting experience in ward locations and assistance with applications and interviews for UCAS.

It is running **25-28<sup>th</sup> July** and is for **Year 12** students considering medical fields and applying for UCAS in 2023.

The experience only has limited placements so we will be taking applications and shortlisting the 12 applicants from across the county that will benefit the most from the experience. In their application they will have provide a statement of interest as well as a supporting reference from a teacher or advisor so please encourage your students to think carefully about their interest in the program.

**Katy Elder**

**Widening Participation Co-ordinator**

**Learning & Development Service**
