

F1 in Schools

This year the Design and Technology department are entering the national
F1 in Schools challenge!

Each team will design, build and race their car on our F1 track.

The F1 STEM Challenge will launch on Wednesday 30th November

To kick-start the challenge all students are invited to complete the following slogan:

“F1 in Schools is great because....”

The winning slogan will win the fantastic **Lego McLaren Formula 1 Team 2022** car shown here!

All slogan entries must be submitted to Mrs Gibbs or Mrs Da Costa by
Monday 21st November

For more information please visit
[About - F1 in Schools UK](#)

If you would like to join a team for this fantastic
STEM Challenge please see Mrs Da Costa
