

## The Sixth Form

January 2022

Dear Year 12 Parents and Carers

**Year 12 Parents' Evening will take place on Wednesday 19<sup>th</sup> January.**

Following the success of last year's virtual events, and the very positive response from parents and carers, 6<sup>th</sup> form parent consultation evenings will continue to be run as virtual events.

This evening will run from 4.30-7pm, allowing both staff and students time to get home before appointments start.

Students will arrange appointment times with staff during lesson times over the coming weeks. All meetings will take place via TEAMS using the student's home site email address and invites being sent by the class teacher.

Appointments are for 10 minutes and will involve all teachers of that subject. Students therefore only need one appointment per subject.

The evening will provide an opportunity to speak to subject teaching staff, build on discussions from Academic Monitoring Day and discuss any concerns from the progress reports issued in November.

Please note that a full report will be issued in May 2022, with a final Year 12 progress report issued in July 2022.

Year 12 students will also be sitting a formal mock exam in (almost) all subjects during the week beginning 4<sup>th</sup> April (the last before the Easter holiday).

Yours sincerely

Mr James See  
Head of Sixth Form  
Beaminster School
