Dear Year 11 Parents and Carers

Year 11 Exam Period Information and Targeted Revision Timetable and Planner

As we approach the final weekend before the start of GCSE examinations, and look forward to the Celebration Day on Friday, I wanted to pass on my best wishes to all the Year 11 students for their forthcoming examinations.

They have been a wonderfully cooperative group and I thank them all for working so positively over these past few months.

Students have been given careful advice as to the content of the examinations, with further information and revision guidance available on **Office365**, **ClassCharts** and through numerous other resources such as **SenecaLearning**, **BBC Bitesize** and through the ongoing webinars of <https://online.impress.education>; these include specific revision sessions for English, Maths and Science, alongside all sessions now available on catch-up.

Also, attached, is a timetable for additional **focused revision sessions** that we will be providing over the next two weeks on the morning or afternoon before any examination. These ensure that students are fully prepared for the examination and can deal with any final concerns.

Tutor time will be set aside to provide a calm environment before examinations, and we will make sure that fruit and drinks are available if required.

Subject staff will also speak to students in the canteen just before examinations to remind them of the examination structure.

Finally, the school website, under Curriculum Information, has a great deal of useful exam information, links and subject guidance that you will find helpful, including the timetable for all GCSE and A Level exams:

[Exams - Information and Useful Links | Beaminster School | Beaminster](#)

Please be assured that we will continue to be here to support your child and, as always, should you have any concerns then please do contact their Tutor so that we can help.

Mr Hales

(NB: Full details about arrangements and payment for the **Year 11 Prom** are being sent out separately so please do look out for it)
