Dear Year 7 and 8 Parents and Carers

Education Roadshow, Thursday 1st December

As part of their ongoing Careers programme, Year 7 and 8 students will be receiving an **Education Roadshow** from the BAe Systems, RAF and Royal Navy Education team. This interactive one-hour presentation will be on Thursday December 1st during period 2 in our main hall.

The roadshow is kindly supported by "The Smallpeice Trust", who provide teaching resources to compliment the performance, and is designed to link student learning around magnetism with the many uses that it is put to in everyday life. Alongside this, the team will also provide an insight into some of the educational pathways and career opportunities around this subject.

At the end of the performance all students will have the opportunity to complete an evaluation form so that we can assess the benefits or otherwise of the visit.

Mr Donovan
Careers Co-ordinator
