Beaminster School - Independent Revision Planner

What is this?

This is a plan of how your week looks. It should include:

- School work
- Paid work / voluntary work
- Leisure time
- Socialising
- Other.

Why do we have it?

So that you, your parents/carers and the school are clear that time is being spent working for your future.

All people involved know that enough time is being spent on school work, which is the top priority when planning your life now and for the future.

How do I use it?

Fill in the boxes for each day.

Weekdays should have: 1 or 2 after school classes + 2 boxes for school work at home, plus boxes for leisure and paid/voluntary work.

Weekends should have: At least 1 box for school work each day.

You may make switches each week if needed.

Use your revision planner each week from
