Dear Year 10 Parents and Carers

Year 10 GCSE Revision Guides

To help students with their preparations towards GCSE examinations, revision guides are a good source of reference, supporting prior learning and allowing for independent study.

With this letter is a list of revision resources that our subject leaders have recommended.

These are available on-line or in shops but by buying in bulk we are able to offer them at heavily discounted prices.

All the relevant guides will be available for you to purchase through ParentMail +Pay.

We ask that orders are placed no later than **Friday 7th October 2022** to allow time to order, collate and distribute the guides to students ahead of October half term.

Students eligible for the Pupil Premium will automatically have the necessary guides purchased for them, so do **not** need to place an order.

Anyone experiencing particular financial hardship is encouraged to complete and return a Financial Support Application Form, readily available on the Forms, Policies and Key Information page of the school website, as soon as possible.

Please contact the school office should you have any queries.

Yours sincerely

A handwritten signature in black ink that reads 'R Barnes'.
