

The Sixth Form

February 2024

Dear Parents and Carers

UCAS Convention, Exeter – Tuesday 12th March 2024

We have reserved tickets for all Year 12 students to attend the UCAS Convention at the Westpoint Centre, Exeter on Tuesday 12th March. The session lasts from 11am until 1.30pm. We will travel by coach, leaving school at 9.30am, aiming to return by 3.15pm.

We require a sum of £13 from each student to cover the cost of this trip.

This is an excellent opportunity for students to talk to universities and to gather as much information as they can about courses and options that are available to them. The feedback from previous years has been extremely positive with students describing the event as an excellent starting point as they begin to make enquiries about their Higher Education options. Even those who may not be considering entering Higher Education at this early stage would still benefit from understanding the options that are available.

More information – including a list of exhibitors that can be searched using particular subjects - can be found at [UCAS Discovery Exeter 2024 | Exhibition | UCAS](#)

As a result of this, there will be no Year 12 lessons running on this day and the expectation is that all students will participate in this trip.

Could I please ask that payment is made through **ParentMail**, a payment item will be available shortly. Should you have any concerns about payment 6th Form bursary information is available on the school website.

I hope all Year 12 students are able to make the most of this opportunity.

Yours faithfully,

Sarah Walters
Head of 6th Form, Beaminster
