

Beamminster School Library

December Newsletter

Welcome to our first Beamminster School Library Newsletter. These newsletters will be produced monthly, and will let you know what is happening in the library and how you can get involved.

Bookmark Competition

Congratulations to Tiggy Hyde-Phillips, Amelia Hodder, Eva Powell, Molly Turner-Welch and Theo Trouton, who recently won the bookmark competition. Their prize included a book, donated by Scholastic. Their bookmarks are available on the library desk for anyone who would like one.

Library Themes

Every month we have a theme which we base our craft, books and colouring around. During November students cut out poppies and selected appropriate books to create a display. We then looked at Diwali and chose some books with the help of the humanities department. We also coloured in beautiful rangoli designs.

Requesting Books

Students can request books they would like to see in the library by filling out a form on the front desk. They will then get to read them first, before they go out on the shelves.

I have been getting a lot of requests for more Manga books in the library, which I have started to purchase. Come along and see which ones we now have in stock and request your favourite!
