Keeping safe

Site Safety:

Blue dots on the ground lead visitors to reception: Any unknown person without a lanyard, who is not walking on the dots toward reception = report to a staff member immediately.

Evacuation:

Exit routes changes: Occupants of Science, Netherbury, Sandhurst, HU4, Music & Drama should access the bus park via the front of the school. Walk in silence & in single file and line-up in alphabetical order on your allocated line at the bus park & await instruction.

Lockdown:

Remain in (or get to the nearest) classroom, sit under tables, doors and windows locked, blinds down/curtains closed. No communication/movement – silence. Await instruction.

Evacuation & Lockdown drills will happen over the next couple of weeks so we are all happy we know what to do in an emergency

Online Safety

What we will continue to share with you and discuss this year

- Grooming
- Phishing
- Bullying
- Self esteem
- Distressing content
- Fake news / Misinformation
- Extremist content
- Discriminatory views (racism, misogyny, misandry)
- Online challenges / peer pressure
- Self harm content / suicide
- Taking nudes and consensual and non-consensual sharing

Have a fantastic year!
