November 2023

Dear DofE Parents and Carers

We are thrilled that 45 Year 9 students have paid for an eDofE account, but to date, only 23 students have submitted any programme planners, which suggests that the other 22 have yet to start an activity.

With all three sections needing to be completed by the end of March 2024 deadline, and with one of the sections being 6 months long (an average of one hour a week for 26 weeks) it is important that students have made a start and are involved on a regular basis.

With only 17 school weeks until the deadline, I am very concerned that some students will run out of time if these activities have not yet been started, which will mean that they cannot continue on to the Expedition phase with the school.

Students have an allocated lunchtime to see me if they need any help, or please feel free to email me with any questions or concerns: RRandall@beaminster.dorset.sch.uk

Best wishes

Mrs Randall
