September 2023

Dear Year 10 Parents and Carers

## **Year 10 Introduction to GCSEs and Work Experience Information Evening Wednesday 20<sup>th</sup> September, 6.30pm, School Hall**

I am writing to invite you all to an important information meeting on **Wednesday 20<sup>th</sup> September 2023** in the main school hall **starting at 6.30pm**.

The purpose of the meeting is to give parents, carers and students advice on two very important aspects of the coming year.

The first part of the evening will focus on advice on **how to support your child through their GCSEs**.

Staff will give brief presentations on the English, Maths and Science courses that all students must undertake, and outline what makes a successful learner; they will also be on hand to answer any questions or concerns that you may have.

The second part of the evening will be information about our **Work Experience** programme which all Year 10 students will do over two weeks in May.

Staff will outline the process and how the programme runs, and students will give short presentations about their own past experiences of doing work experience. Information will be available on the evening for parents to take home.

**Please note that this is a very important information evening for all Year 10s, their parents and carers and you are strongly encouraged to attend.**

We expect the evening to finish by around 8pm at the latest.

Yours sincerely

Mr See  
KS4 Director of Learning and Achievement (DoLA)
