

The Sixth Form

January 2024

Dear Year 12 Parents and Carers

Year 12 Joint Sixth Form Parent Consultation Evening
Wednesday 17th January, 4.30pm – 7.00pm at Beaminster School, Main Hall

You are invited to the Year 12 Sixth Form Parent Consultation Evening being held at Beaminster School in the Main Hall on **Wednesday 17th January**.

This is an excellent opportunity to discuss student progress with subject staff.

Staff from both schools will be available for consultation and students can make appointments for you using the attached form – please do make sure they give it to you before the evening!

There is no online booking system to make appointments on for this event, so students will need to speak to their teachers individually to make an appointment for each subject.

Some staff may request an appointment with you if they feel that a student is not making the required progress in their subject.

We look forward to seeing you all at this Consultation Evening.

Please feel free to contact me should you have any questions: swalters@beaminster.dorset.sch.uk

Yours faithfully,

Mrs Sarah Walters
Head of Sixth Form
Beaminster School
