60.5.	SEND (Pupil Premium Strategy statement 2024, previously circulated):	
	NG introduced herself as PP Lead and updated governors on awareness and the PP	
	strategy NOTING:	
	<ul> <li>NG took governors through a PPt. presentation (attached) discussing and</li> </ul>	
	raising awareness of BS students and the wider context of disadvantaged students.	
	<ul> <li>An extract from the Governance Handbook; 3.3 Accountability for educational performance was circulated and NG asked governors to</li> </ul>	
	consider this when holding their executive leaders to account.	
	PP Strategy for publication:	
	<ul> <li>The statement detailed the funding overview, the 3-yr strategy plan,</li> </ul>	
	challenges, intended outcomes and activities undertaken within the year.	
	<ul> <li>NG was confident that all six challenges had been completed or were</li> </ul>	
	being taken forwards well.	
	<ul> <li>The 3-yr plan had informed policy and changed school practice.</li> </ul>	
	<ul> <li>The intended outcomes were RAGD and explained the challenges to be</li> </ul>	
	addressed in 2024.	
	<ul> <li>NG was now reporting to and working closely with the three DOLA's rather</li> </ul>	
	than reporting directly to the SLT.	
	<ul> <li>Attendance had done very well and has improved towards the 95% that</li> </ul>	

	<ul> <li>There were many new initiatives, focusing on 5 GCSE's; a new target to</li> </ul>	
	help avoid NEETS. DB entered the meeting at 5.30pm.	
	<ul> <li>The Activities with budget breakdown was linked to Education</li> </ul>	
	Endowment Research papers; a very complicated document but it ensured	
	our policies were right for our students and evidenced based.	
	<ul> <li>Next steps; Martin Oliver the new Ofsted lead had said there would be a</li> </ul>	
	re-focus on achievements of disadvantaged students and that the	
	practitioner was the intervention.	
	challenged the soft bigotry of low expectations?', 'What might you do	
	differently from now?	
	BM thanked NG for her very enlightening report and agreed to include	
	explicit questions on disadvantaged students at link meetings.	
	• GQ: Our PP students are up from 19% to 23% this year, how does this	
	compare nationally? 27.6% is the national average and schools with over	
	20% do get extra support from charities. Families are encouraged to apply	
	if they qualify as it does bring benefits and extra money to the school.	
	<ul> <li>NG was commended for the effort and passion she brought to her role.</li> </ul>	
	NG left the meeting at 5.40pm	
60.6.	Headteachers Report: (Updated SIP 22-25, MAT map and Staffing Structure	
	previously circulated): KH introduced the reports <b>NOTING</b> :	
	School Improvement Plan	
	• At recent SLT meetings it was agreed the current format was too large and	
	unwieldy and needed to be slimmed down to highlight the current real	
	issues. This would be linked with the longer-term vision and strategy	
	document, currently being worked on by the Governance Committee.	
	<ul> <li>1.2 Numeracy Plan; this remained amber as it was not yet clear how the</li> </ul>	
	plan worked across all departments.	
	• 1.5 Homework; variety was good but expectations between upper and	
	lower sets needed to be levelled out to ensure equity and equality.	
	• 1.7 Targets; 10 students (8% of cohort) were now at alternative provisions,	
	which was right for the students but was having an impact on the	
	aspirational (top 20% of school) targets set.	
	<ul> <li>GQ: If a student doesn't achieve their GCSE's, what's next for them?</li> </ul>	
	Functional skills courses are available.	
	<ul> <li>3.3 Leadership opportunities; there was still much work to do to provide</li> </ul>	
	more opportunities for students, including an overview for all year groups.	
	• GQ: What are Learning Looks? They are book looks to see what lower and	
	upper ability students are producing, for quality of work and sharing.	
	• GQ: Is Literacy now embedded across the curriculum? No, but a three-	
	year reading plan has been implemented with vocabulary built into	
	schemes of work, staff training, and a focus on exposing students to a rich	
	range of literature.	
	• GQ: Every teacher is a teacher of English and Maths; does this still apply?	
	Yes, we are trying to use the same terminology across all subjects and	
	mathematical concepts in a coherent way.	
	<ul> <li>GQ: How is engagement with the community being logged? It is not</li> </ul>	
	being written down, but much is happening and Y8 are trialling passport to	
	success as part of their Careers lessons.	
	Staffing Structure:	
	KH took governors through the structure <b>NOTING</b> :	
	• The capacity of the SLT had been increased with in the introduction of the	
	DOLA, who were now overseeing the Heads of Year.	
	<ul> <li>RB oversaw the core subjects of English, Maths and Science.</li> </ul>	

	Safeguarding (Child Protection) policy:	Confirm SG policy
	• DW would circulate the completed audit to all governors for information.	Confirme
	resolved with no weaknesses or recommendations needed.	
	There had been one Ofsted complaint that had been fully investigated and	
	comeback on issues from DC.	
	<ul> <li>All questions had been answered fully and DW was not expecting any samphask on issues from DC</li> </ul>	audit to GB
	the S/G governor for review.	Circulate
	<ul> <li>The completed audit was submitted to the LA this week and a copy sent to the S/C governor for review.</li> </ul>	
	Annual Audit:	
	DW updated governors on current issues <b>NOTING</b> :	
60.7.	Safeguarding Update:	
<u> </u>	and like us they prefer to run themselves and keep a watching brief.	
	• <b>GQ: Do we know Woodroffe's intentions?</b> No, they are now graded Good	
	Current overview was to maintain a watching brief only for the time being.	
	• Ted Wragg was an interesting group and had started coming into the area.	
	Aspirations had similar issues.

	• SJC had now joined Initio MAT (17 schools, mainly primary and middle and

	<b>perspective?</b> Yes, full time equivalent data will be added for context,	
	staff members in total. Can the structure be expanded to give a better	structure
	<ul> <li>GQ: The structure shows 21 members of staff but there are over 100</li> </ul>	into staffing
	• GQ. where does the PP Lead sit within the structure? NG supports the overall structure and reports to three DOLA's.	Add ft.E data

	<ul> <li>Following the funding received for disadvantaged students the predict c/f</li> </ul>	
NO	• Following the funding received for disadvantaged students the predict c/f	
	was now £133,000 surplus, putting us in a much better position than	
	previously predicted, although the income would be used to offset	
	increased staff costs.	
	• We were now able to replace the minibus with the purchase of a second-	
	hand minibus and a smaller 9-seater vehicle. Less staff were able to drive	
	the minibus without completing expensive licence extensions and the 9-	
	seater would help alleviate this problem.	
Sch	ool Financial Value Standard (SFVS):	
	• RA and BM had attended the recent SFVS training, which had highlighted	
	the need to explain answers with fuller comments. RA had done this and	
	recommended approval of the completed form, as circulated, for	
	submission to the LA.	Submit SFVS
	Governors had no further questions and with a show of hands	to LA
<u> </u>	unanimously approved the SFVS for submission.	
	irs Report (report, previously circulated):	
BIVI	introduced her report <b>NOTING:</b>	
	Ofsted and Government must rebuild trust and make major changes to     acheal increasions. Education Committees and Committees all/

	Parliament. – link to published findings.	
	<ul> <li>BM noted a recent survey of school teaching staff had suggested a significant number of staff were not getting value from their CPD and felt</li> </ul>	
	INSET days had not been worthwhile	
	<ul> <li>GQ: would be worth doing a quick survey of staff on the value of CPD,</li> </ul>	
	following the findings quoted? KH felt the questions from the Survey had	
	been biased and didn't express the feedback was largely related to	
	mandatory CPD. It was difficult keeping everyone happy and bespoke CPD	
	was used when possible, but it was worth reflecting on it.	
	<ul> <li>Governors were encouraged to attend a performance of Treasure Island</li> </ul>	
	being held on Thursday and Friday evening.	
60.11. <b>Go</b> v	vernance Committee (draft minutes of the meeting on 11 <sup>th</sup> December 2023,

60.12.		
60.13.	Link Scheme (Four link reports, previously circulated):	
	<ul> <li>Life Studies, MFL, PE and Science reports; accepted.</li> </ul>	
	• GQ: How are inappropriate emails recorded, as raised in the MFL report?	
	There is an informal system and a channel for filtering difficulties to one	
	person, which all staff are aware of and are supported through. Since	
	Covid there has been a rising number of parents with higher expectations	
	for immediate responses.	
60.14.	Any other business:	
	BM asked governors if they had any other business to discuss:	
	Governors were asked to share the Maths teacher advert on Facebook and	
	one governor suggested putting student perspective in the advert. KH	
	agreed to consider this but space was a limiting factor.
