Register a coronavirus test

Use this service to register a coronavirus test for you or someone else.

You need to register each coronavirus test to get the results.

To complete this form, you'll need:

- the test kit barcode for the test you're registering
- a mobile number (for you or the person you're registering it for)
- the Royal Mail barcode on the return box (only if you're registering a home test kit)

If you're taking a test before your hospital visit, you need to [register your kit here](#).

Screen 3 – THIS SHOULD BE THE STUDENT’S DETAILS

The screenshot shows a web browser window with the address bar containing the URL <https://test-for-coronavirus.service.gov.uk/register-kit/login-choice>. The browser tab is titled "Login Choice - GOV.UK". The page header features the GOV.UK logo and the text "Get a coronavirus test". Below the header, there is a blue banner with the word "ALPHA" and the text "This is a new service – your [feedback](#) will help us to improve it." A link to "< Back" is visible. The main content area asks the user "Would you like to sign in or create an account to save your details?". There are two radio button options: "Sign in or create an account" (which is selected) and "Continue without an account". A green "Continue" button is located at the bottom of the form.

Would you like to sign in or create an account to save your details?

Sign in or create an account
We'll save your details for each time you get tested. Creating an account only takes 2 minutes and you'll save 5 minutes with every test.

Continue without an account
Your details won't be saved for future tests and all information will have to be re-entered.
