Dear Parent/Guardian

**Your child's flu vaccination is now due for children in Reception to Year 11. This is free from the NHS.**

We are pleased to confirm that the flu vaccination will be offered in schools this autumn and winter to help protect your child.

For this academic year's vaccination programmes the service will be using a new booking system called Cinnamon.

Please click on the link above to complete the online consent form. Consent will need to be completed for every child. If you miss the deadline, you can still complete a form but will be offered an appointment for a catch-up clinic at a community venue.

If your child is unable to receive the vaccination at the school session, you will be able to book an appointment at one of our clinics. Please continue to check regularly as clinics will be added throughout the Programme.
