

Beaminster School Library

May 2026 Newsletter

Thank you to everyone that has bought books from our wish list. It is great to see more current, popular books on the shelves and in students' hands. Those books that have seen better days are placed on our 'Books in need of new homes' stand. These are free for students to take home and keep. If you would like to buy our library a book, please visit Beaminster Books and have a look at the wish list.

Competition Time

Phoebe, one of our student librarians, created a 'Design a Character' competition. She had several entries and decided that the winner was Gabriel in Year 8 with her character called Adriana.

Phoebe presented Gabriel with some sweets of her choice.

Revision Books and Cards

There are now revision books, for each subject, available for students to use when studying in the library.

We also have flashcards for students to make their own revision cards.

The computers can also be used for studying and there is always someone around that can help with printing, whether this is homework, revision notes or past papers.

Everyone is Welcome in the Library

You can ...

- *Borrow a book
- *Do some homework
- *Read a magazine
- *Use the computers and print off work
- *Mindful Colouring
- *Board Games
- *Revise for an exam
- *Read a book from the library or from home

The John Thornton Young Achievers Foundation

john thornton
young achievers foundation

We are very excited to announce that we have been successful in obtaining a grant from The John Thornton Young Achievers Foundation.

This grant of £1158.45 has been used to purchase 10 new tables in the library along with 6 bean bag chairs.

The tables and bean bag chairs will help to create a welcoming, comfortable and engaging space which students will want to spend time in.

We are extremely grateful to The John Thornton Young Achievers Foundation. If you would like to find out more about the important work that they do please visit www.jtyaf@outlook.com

New Carpet and Chairs

Over the Easter holidays the library had new carpet fitted and 40 new chairs. The students have said that it makes the space feel bigger and is more inviting to spend time in. Thank you to the site team, Wilf and Darrin, our IT Manager, Charles, and Kellie, our Business Manager, for helping to make it happen.
