December 2025

Dear Year 7–10 Parents and Carers

Activities Week 2026

We are delighted to attach the **Activities Week 2026** booklet, which can also be found on the school website.

Due to the way term dates fall, the 2026 event will run from **Monday 20th July to Wednesday 22nd July 2026**.

With 17 different activities to choose from there really is something to suit everyone, and to cover all budgets.

Application forms are required from **ALL** students in Years 7-10 by **Wednesday 7th January 2026**.

This will allow you plenty time over the Christmas break to read the booklet and consider the 3 different activity choices that all students need to make.

It is essential to make 3 preferred choices as it will not be possible to swap.

Please do let us know if there is any additional information we may need to be aware of to allow your child to participate, so that this, and any other support your child may require, can be taken into consideration to ensure an activity is appropriate for them. There is space on the application form for this, or please do get in touch with the school office.

A reminder that students on trips and activities are representatives of our school and act as ambassadors for us and should behave accordingly.

Activities Week is something to look forward to and is a privilege to be part of, and all students participating are required to have good attendance and behaviour or risk forfeiting their place.

Please be aware that should a student have to be withdrawn from an activity for attendance or behaviour issues, any deposit, part or full payment made towards the activity will not be refunded, and the student will be required to remain in school.

Thank you.

Mr Hales
Headteacher
