February 2023

Dear Year 11 Students, Parents and Carers

All students in Year 11 are being given a very simple revision guide for their upcoming exams.

It is easy to follow and may tend to state the obvious at times, but the idea is to create an easy to use guide for all students in the year group which will help keep them on track.

The guide is broken down into different areas:

- Motivation and procrastination
- Organisation and planning
- Setting targets
- Revision environment
- Coping with stress
- Learn, revise and test yourself
- Know what you will be tested on
- Focusing during the exam.

This does not replace anything you may have put in place yourselves, or that students are already doing, but is designed to clarify, in easy to understand terms, the main points around revision. It builds on work already done with students on Stop the Clock day and presented to them in assemblies.

A copy of the guide is attached so that you are aware of the contents and it can also be found on the school website.

Any feedback is appreciated as I am aware I can always improve if I keep trying, just like Year 11 students.

Mr Donovan  
Head of Year 11
