

# Beaminster School Library

## June 2026 Newsletter

The library is currently being used for GCSE and A-Level exams. The space offers some of our students a more comfortable environment.

We have been holding some exciting events in the library. Our student librarians have been involved in running these sessions, having a chance to show our feeder school students what they can expect when they join us in the future.

### Year 5 Reading Workshop

We were delighted to welcome Year 5 from St Mary's Academy on Tuesday for our first Reading Workshop in the Library. Year 5 enjoyed a range of activities, including a Library Hunt, listening to a Beaminster student read an exciting book extract aloud, a Book Chat, plus a small taster of a Year 7 lesson thanks to Mrs Dodds reading an extract from 'Private Peaceful'.

Our huge thanks go to Amelia, Spike, William, Lexi and Brooke - they were fantastic ambassadors for our school and we were extremely proud of their mature, diligent efforts in enabling the Reading Workshop to happen. More importantly, our students' love of reading was plain to see - we feel certain that Year 5 feel even more inspired to keep reading after today!

### Art in the Library

As part of her Year 10 work experience Misha was asked to design and create a piece of art work that could hang in the school library.

Misha has created this fantastic picture, which she should be very proud of. It is taking pride of place in the library for everyone to see. Thank you Misha.
