7th May 2025

Dear Year 11 Students, Parents and Carers

Year 11 Prom, Haselbury Mill

Mr Donovan spoke with Year 11 students this morning.

We have been advised by Haselbury Mill that the road bridge leaving the main driveway to the Tithe Barn is currently structurally unsafe and we will therefore not be able to use it for the Prom.

Discussions have taken place and it has been suggested that all cars should park on the field next to the pond as you enter Haselbury Mill from the **lower entrance**. The footbridge next to the road bridge can still be used for students and relatives to walk over to the barn and provides excellent opportunities for photographs.

Students arriving on larger/heavier vehicles should use the exit on the **high lane** as an entrance, parking on the grassed area above the barn.

We have asked for the field to be stewarded so that any transport carrying attendees to the Prom can park as near to the pond as possible. A map of Haselbury Mill is included showing the field as you enter the site.

Please note that as a **one way system will be operating on the night**, vehicles will not be able to leave the venue until all the students have entered the barn for their meal.

Although disappointing, this situation is beyond our control, but we wanted to make you aware of it as you may wish to take photographs at home, or re-consider how students will arrive at Prom.

We are all looking forward to a wonderful evening of celebration with our Year 11s.

Should you have any particular queries, please do not hesitate to get in touch.

Yours sincerely

Mr J See
Director of Learning and Achievement KS4
