Dear Parents and Carers

Instrument Tuition at Beaminster School 2026-2027

There are many opportunities for music making at Beaminster School which includes learning an instrument outside of the classroom with a team of highly trained and experienced teachers, who deliver a programme of lessons covering a wide range of instruments.

These peripatetic music staff work on a private basis, with lessons taking place here in school. The lessons are organised on a rotating timetable when the teacher is in school so that, wherever possible, students do not miss the same curriculum lessons each week. There is an expectation that all work missed will be completed as homework.

Fees are set by the teachers but, in all cases, the staff have made concessions for us and the amount you pay will be fair and in line with current practice across the area.

Should you wish me to look for teachers of other instruments not listed, please contact me to discuss possibilities.

To arrange lessons for your child, **please contact the relevant teacher direct** who will advise you regarding costs and buying or hiring an instrument if you do not already have one.

Please return the attached slip below to Mrs Edwards if you are contacting one of our private teachers as we require parental consent to allow pupils to be released from timetabled lessons to attend instrument tuition. I would also be grateful if you could let me know if your child has music lessons outside of school, or can play an instrument already.

Yours faithfully

Mrs S Edwards
