Dear Year 11 Parents and Carers

Year 11 Revision Menu – Earn While You Learn

It has been really pleasing to see Year 11 students back in school after half term, engaging with learning in lessons, working hard during support sessions and completing independent learning.

With trial exams starting on **9th March** and the first GCSE written exam on **8th May**, we are keen to support students in continuing their independent revision.

With this in mind, we have launched an “Earn While You Learn” revision menu for Year 11 students.

Subjects have identified activities that, if completed, will support in-class learning and preparation for the exams.

Each time a task is completed, a student will receive a sticker on their reward card. Once a card is completed it can be submitted to receive a reward and a new card.

A copy of the revision menu is attached, which includes the rewards.

James See
Director of Learning and Achievement (Key Stage 4)
