

Uniform and Appearance Policy 2023-2024

Ambition • Service • Kindness

All items of uniform are available from our on-line supplier www.kitzuk.co.uk

Please note, school crested items are only available through the school supplier.

However, if you do purchase other items from high-street retailers, please check the style and cut is the same as those available from our school suppliers. These are the only style/cut we will accept.

In an effort to assist parents and students, we have produced this guide, which we will continue to update and circulate.

We also hope that, for students, it will clarify that it is not just what you wear, but the way that you wear it that matters.

We do hold a small stock of second-hand items (particularly coats), so please contact the school if you wish to view them.

Please do remember to clearly and permanently mark all items with the owner's name.

Why we have uniform

At Beaminster we believe that the smart, business-like appearance of our students is important. We feel that our practical, comfortable and relatively inexpensive uniform helps to instil pride, support positive behaviour/discipline, encourage identity with the school and protect children from social pressures to dress in a particular way. This is a view supported by the Governing body, teachers and the majority of parents and students.

LEARNING

School should be a place where youngsters concentrate on their learning. Unfortunately concerns over fashion and body image can become a major distraction. Image has always been important to most teenagers and we would always wish to encourage our students to take pride in their appearance. However, many schools have become increasingly concerned about the sexualisation of young people through inappropriately worn and/or tailored items of uniform such as figure-hugging or short skirts and skinny/tight trousers. There have been many articles in the press regarding this including schools that have banned skirts altogether. At Beaminster we have chosen to merely limit choice.

CHOICE

We aim to make our uniform policy clear and comprehensive to assist parents and students in making the right choice. Being mindful of cost, the vast array of different body shapes and unpredictable growth spurts, we have tried to give parents the option to source as many uniform items as possible from their preferred suppliers. However, retailers often advertise inappropriate items of clothing as 'School Uniform'. This leads to inconsistencies and frustrations for parents, students and staff alike. Having consulted with student and parents, we introduced standard skirt and trousers in September 2019 to reduce some of these inconsistencies. In June 2023, we introduced shorts as an optional summer item for boys. Unlike the girls – who have always had skirts as a cooler alternative to trousers, boys have had to wear trousers in all weathers – including on hot summer days. We hope therefore that this new option goes some way towards providing equality/equity with regard to control over temperature regulation. For this reason, only tailored boys shorts have been introduced. Girls should continue to wear skirts as a cooler alternative to trousers.

FAIRNESS

One of the frustrations voiced by some parents is that a handful of students appear to get away with not complying with the uniform and appearance rules - whilst their own child dutifully sticks to them. It's a frustration we understand and seek to address with regular uniform checks and asking for the support of ALL parents.

PARENTAL ROLE

As a good percentage of our staff are also parents, we do appreciate the difficult, unpopular and sometimes painful decisions you have to make in shops when selecting replacement uniform. We know that most parents will remember the same battles they had with their parents! Ensuring your child leaves the house dressed appropriately is not always easy for every parent, but it does make things so much easier for them, you and us when they arrive at school.

CONSISTENCY

Many schools have taken fairly firm steps to address the issue of inconsistency. Some have banned skirts altogether and isolated student wearing figure hugging trousers – citing the number of student and teacher hours wasted tackling the age-old issues of how short or tight skirts and trousers are allowed to be. Other schools require that all uniform is purchased from a sole-supplier, who sell just one style of everything - just to ensure that ALL items of uniform meet the school's requirements. Some parents have welcomed both these steps, as it takes the decision making away from them. Others feel that this has increased financial costs and removed their freedom to buy the best 'fit' for their child's shape. We hope we have reached a middle ground that has been welcomed by the majority of parents. However, should some students consistently flout the rules, we will insist they wear uniform supplied by us. For example, if students cannot wear the school skirt at the correct length, they will be required to wear trousers that we provide.

YOUR VIEWS

As ever, we are always happy to hear your views on all matters to do with our uniform and appearance policy. However, maintaining high standards of uniform and appearance is non-negotiable for all the reasons outlined above.

We therefore hope we can rely on your support to ensure our youngsters comply with the requirements as set out in this uniform policy. If there is any reason why you feel you are unable to do this, then please contact us at school and we will be more than happy to assist in any way we can.
