April 2023

Dear Parents and Carers

Year 11 Exam Period Information and Targeted Revision Timetable and Planner

As we approach the final fortnight before the start of GCSE examinations, and look forward to the Celebration Day on Friday 12th May, I wanted to pass on my best wishes to all the Year 11 students for their forthcoming examinations. They have been a wonderfully cooperative group and I thank them all for working so positively over these past few months.

Students have been given careful advice as to the content of the examinations, with further information and revision guidance available on Office365 and ClassCharts, and through numerous other resources such as Seneca Learning and BBC Bitesize. All of these links, along with useful exam information, timetables for the GCSEs and A Levels and subject guidance can be found on the school website, under Curriculum, Exams and Careers Information: [Exam Timetables | Beaminster School | Beaminster](#)

Also, attached, is a timetable for **additional focused revision sessions** that we will be running during these two weeks. They will ensure that students are fully prepared for examinations and that staff can deal with any final questions. Do note that there are no examinations on Friday 26th May so there is no compulsion for students to attend on this day, but study facilities will be available for any students wishing to come in.

Tutor time will be set aside to provide a calm environment before examinations, and we will make sure that fruit and drinks are available in the canteen if required. It is very important that students arrive promptly at 8.45am so that they can make the most of this time.

Subject staff will speak to students in the canteen just before examinations, to remind them of the examination structure and to ensure any concerns are dealt with.

Please be assured that we will continue to be here to support your child and, as always, should you have any concerns then please do contact their Tutor so that we can help.

Mr Hales
